### Article VI

Section 4: The directors elected in a given year via section 1 or 2 above, plus those in their second year of service, plus the immediate past president (if applicable), ~~plus any Officer serving his second year under the provision of Article VII Section 4,~~ constitute the Associations Board of Directors. The minimum number of directors under this Article is twelve, assuming 1) no vacancies, **and** 2) the past President is an elected director, ~~and 3) the officers are serving during their elected terms.~~ The maximum number of directors is ~~seventeen~~ **thirteen**, assuming, 1) no vacancies, **and** 2) the past President is not an elected director, ~~and 3) the officers terms have expired.~~

### Article VII

Section 2: The four officers will be elected by the Associations directors at their December Board meeting (~~normally held prior to the annual awards banquet~~) from the pool of eligible directors (section 3 below) and will immediately assume their positions. Officer elections will take place ~~in even years~~ **annually** except to fill a vacancy.

Section 3: Any director who serves as an officer or receives compensation for services in a similar local California horse show organization may not serve as an officer of the Los Angeles Hunter/Jumper Association at the same time. The San Fernando ~~Valley Horse Shows~~ **Hunter Jumper** Association, The Tri Valley Horse Shows Association, and the Orange County Horse Shows Association are considered to be examples of similar local California organizations for this purpose, although others might exist.

Section 4: Officers of the Association will serve ~~two~~ **one** year terms, regardless of whether they are in their first or second year of their current term as directors. ~~If an officers term as a director would end prior to their term as an officer, that director term would automatically extend one year, notwithstanding the fact it would add one more director to the board for that given year.~~
